What the Boys are Doing Here and There

In another column of the Sierra Sun today we report the wounding of Joe Gallerani in the South Pacific. Tough luck and we know you will all join in hoping Joe is soon back on the job of wiping out the Japs.

The Bert Weeden household was wreathed in smiles this week and with good reason. When the family had a reunion on Sunday Mrs. Weeden's eldest son, Elden Alger, CBM in the navy, returned for a visit after 18 months of active duty. Alger's wife, members of the local family, Mrs. J. N. Robertson and Miss Ruth Robertson of Price, Utah, mother and sister of Mrs. Weeden and her brother, W. N. Robertson of Provo, Utah, and Mrs. T. H. Jackson, Alger's sister, arrived to greet the service man. Alger was fortunate to visit Kieth in his recent travels, the first time the brothers had met in more than five years. It happened down in the Pacific. Mrs. Jackson will remain here while her husband, Lt. Jackson is overseas.

Lt. Herman (Bud) Owens is reported stationed at Tacoma, Washington.

A letter this week from Pvt. Blake Goss, who tells us that he is now at Camp Hale, Colorado and that he hasn't been very active since he left Fort Bragg. Through no fault of ours Blake has been off the mailing list for the Sierra Sun and he wants to be put back on to keep him informed of doings at home. He sends regards to his friends here at Tahoe.

A Christmas card from Gowen Field, Idaho, lets us know that Sgt. and Mrs. Bob Bowers are still on the map. They MAY be home for a furlough soon.

Harry Digesti, private in the infantry at Fort Ord, writes that he misses his old friend, Nick Sassarini, who shipped out some time ago. He says he met a fellow there who used to ski at Truckee every winter and that they really had a nice chat. Harry is awaiting arrival of his GI glasses before being assigned to a permanent outfit. He was not looking forward to his first Christmas away from home, but remembered to pass out a hearty Merry Christmas and a Happy New Year to his friends here.

THREE RESIDENTS OF TRUCKEE ARE NEW U.S. CITIZENS

Mrs. Alade Petroni, Victoria Joseph and Gino A. Giovannoni appeared before Judge George L. Jones at Nevada City last Friday and successfully passed examinations and were admitted to United States citizenship.

A ceremony of welcome was given by the American Legion Auxiliary and the Native Daughters of the Golden West.

All three of the new citizens are residents of Truckee.

COUSIN OF LOCAL WOMAN ORDAINED

James Dallas Poole, cousin of Mrs. F. F. Kearney of Truckee, was ordained to the Priesthood of the Catholic Church at ceremonies in St. John the Baptist Church in Chico last Saturday. He was a grandson of the late Peter and Sarah Finnegan well known residents of this section in the 80's and 90's. The young man has visited Truckee many times.

POSTMASTER EXAM FOR SODA SPRINGS

Applications for the position of Fourth Class Postmaster at Soda Springs must be in the mail before December 31, it has been announced by the postal department. The examination will be given at Colfax at a date to be announced later.

TRUCKEE JAIL IS BEING REPAIRED

Constable N. F. Dolley announced this week that repairs, long needed at the Truckee jail, are finally started. H. O. Anderson is installing a new shingled roof and machinists from the Truckee Garage are repairing and reinforcing the doors, damaged by recent inmates in attempts to escape.

BARS STAND TO LOSE IN RATIONING PLAN

Ralph G. Fletcher, district rationing executive of the Office of Price Administration at Sacramento announced OPA regulations curtailing restaurant ration point allotments will go into effect March 1. Under the new ruling, he said, quotas will be based on the number of persons to whom food is served. The current practice is to determine allotments by the total number of customers served whether they purchase food and refreshments or refreshments alone. Under this system, Fletcher said, bars receive larger ration point allotments than restaurants and cafes which serve food exclusively.

We know that a lot of you fellows here and abroad are going to miss old family fireside this year, some of you for the second and even third time and there's nothing much we can do about it, except hope that this will be the last one you are required to be absent and a promise that we will make up for these lost holidays in the festive days after the Japs and Huns are finally subdued. We homefronters extend best wishes and hope your Christmas was as merry as possible.

HEARING DELAYED FOR PATROLMAN IN GUN THEFT CASE

The hearing for Paul Norboe, 35, former highway patrol officer on the Truckee squad, charged with the possession of three army shotguns, stolen from the federal government, was delayed until December 28 by United States Commissioner Adellia C. McCabe in Sacramento this week. Norboe has been freed under \$1000 cash bail. Chief E. Raymond Cato of the highway patrol, announced that Norboe had been suspended from the patrol.

An investigation was begun by the highway patrol three months ago after it was reported three guns had been stolen from the army's quarters near Donner Summit. The matter later was turned over the Federal Bureau of Investigation, Cato said. Norboe admitted trafficking in the stolen army equipment but denied the theft. Two of the guns were recovered under a bridge near Donner Summit and two other were found in San Francisco. Norboe had been a member of the patrol since April 1, 1942.

NEW EXPERIMENT ON TROUT BEING STUDIED AT TAHOE

Allan F. Pollitt of the Tahoe Fish Hatcheries announced this week that 400,000 eastern brook trout eggs arrived there Monday from Colorado which will be cared for until fingerling size and then planted in the high lakes and streams of this region. To date 300,000 rainbow eggs have been received from Hot Creek, Mono County and more are expected after the holidays. Pollitt said that the allotment of the latter type will reach 1,000,000 eggs for general planting in the district.

An interesting and the first experimental trout fry for this region which has proved satisfactory on a small scale is the daily care that has been given 20,000 rainbow fry since October 1 in the warm water pool at Brockway by the courtesy of Herman Reiss, caretaker there.

Under this effective treatment the fry have increased in size four times their original weight and shortly before the opening of the season will be released into Tahoe when it is anticipated they will be of catchable size.

Sportsmen of the vicinity who have knowledge of a warm stream or lake here are asked to get in touch with the Tahoe hatchery so that more fry can be planted. Pollitt says they are continuing a systematic restocking of fish, even in interior waters.

PRIVATE SALES OF TIRES IS RAPPED

"Unauthorized sales of new or used passenger car or truck tires by private parties are strictly forbidden by war-time rationing regulations," according to James J. Boyle, district director of the Office of Price Administration at Sacramento. Boyle said that only used tractor tires, used implement tires, used solid tires and used tubes can be sold by private parties.

RAILROAD ASKS THAT TRAVEL BE DELAYED

Anticipating heavy demands from furloughed service men and women for train accommodations during the coming holiday period, Southern Pacific is appealing to civilians to limit themselves to most urgent trips during the period December 17 through January 10.

CHARTS HERE SHOW 1944 VEHICLE FEES

All local gasoline filling stations have received copies of charts showing the motor vehicle license fees due for 1944. Motor vehicle owners of this district may inspect these charts, upon request, to determine how much they will be required to pay. The regular registration fee of \$3 for passenger cars should be added to the amount of the vehicle license fee as shown on the chart. Weight fees must be added for the trucks and trailers.

All 1944 fees are due and payable beginning January 1st. Offices of the department of motor vehicles will begin the 1944 renewal season on January 3. Sergeant B. W. Reynolds will be in charge of registrations at the Truckee office.

My Place In The Sun

By CORP. DCUG BARRETT

(Excerpts from letters from some where in the Alaska Theater).

Today starts my second year of foreign service. Boy, what a time! While I suppose it comes under the heading of "Good Experience", I'll still be mighty glad to get home again. I do hope that this time next year I'll be telling you about it rather than writing, but you know how these things are.

The Army News Service tells us that Congress is considering a bill to pay mustering out pay ranging from \$100 to \$300, depending upon the length of service. Somebody told me that they heard that the pay for over seas veterans of over a year would be \$400 and if they top 18 months it'll be \$500. That all sounds mighty fine but seems to me to be an awful lot of cash money turned loose at one time. We are not in the army to get rich quick. There are a lot of easier ways to make it these days. If someone lays \$500 in my lap one of these days, I'm not going to send it to Washington—all at once—with a "no thank you" note. All the same it will be extremely interesting to watch the effect of eight of ten million men with an average of \$250 in their pockets on our economy. I'm not particularly worried but it is intriguing.

Aside from the fact that my current state of health is good—though I am definitely developing weight—there is nothing unusual to report.

TAHOE COUPLE HAVE NARROW ESCAPE AS CAR WRECKED

TAHOE CITY, Dec. 23.—Mr. and Mrs. Stein Nielsen of Tahoe escaped serious injury Monday night when their car turned over on the Tahoe-Truckee highway near Tahoe City at a spot known locally as the "Devil's Playground." The couple was unhurt but the car was badly damaged. The blame for the accident was placed on the wet and icy condition of the road.

MOVIES, TALK ARE ROTARY FEATURES

"Rings of Steel" a government movie, sound picture procured with the courtesy of the University of California provided the entertainment at Monday's meeting of the Rotary Club with Barney Phipps as the program chairman. The movie projector was loaned by the Tahoe Lake school and Dick Hinkle was the operator.

Chief Petty Officer E. R. Alger of the navy gave an interesting talk on the war in the South Pacific. He is the son of Mrs. Bert Weeden and has been through eight major engagements, the latest in the Gilbert Islands and was able to give some interesting data first hand on how our navy is taking care of the Japs. Visitors included Stormy Weathers, Ed. White and Axel Nasholm all of Loyalton.

TRUCKEE BOY HELD AFTER LOCAL THEFT

A 15-year-old Truckee boy, who, Constable N. F. Dolley said, confessed to stealing cash from the Donner Garage here, was apprehended and taken to Nevada City this week by Probation Officer A. W. McGagin and a hearing was scheduled for today.

Dolley said money had been mysteriously disappearing from the cash register at the garage for some time. Last week, the officer marked bills, he said, placed them in the drawer and the next day \$30 in the three \$10 bills were found in the boy's possession. He also had a key for the cash register lock, Dolley said.

A second Truckee boy was taken to the county seat for questioning but established his innocence and was released.

It is earnestly hoped that the apprehension of the unfortunate youth will result in recession of the mild crime wave which has swept this area, resulting in homes being entered and windows broken and schools being broken into and robbed.

Returns Home—Mrs. Florence Sheffield returned to Berkeley Saturday, following a ten-day visit with her mother, Mrs. S. M. Richardson.

'PEACE ON EARTH ...'

One of the most popular Christmas cards of the year is one which avoids saying anything about a Merry Christmas or a Happy New Year, but simply has this line on it, "Peace on Earth—Christmas, 1943."

Many of us had hoped, without having much reason on which to base that hope, that there would be peace on earth by Christmas. Now we know that can't be. And, as we celebrate Christmas this year, the tragedy of war will be uppermost in our thoughts and there will be few of us who will be able to have a really "merry" Christmas day.

But we fervently hope, and have every reason to believe, that Christmas, 1943, will be the last wartime Christmas. Christmas, 1944, should be the most joyous Christmas in the history of our country. If we can believe any of the predictions about this war, by Christmas, 1944, our boys who are this year spending Christmas fighting on distant battle fronts should be home trimming Christmas trees.

So, as those of us at home gather together for Christmas festivities this year, we may be able to find a little joy in thinking of it as a sort of pre-victory occasion marking a day next year when our dreams of a real "Peace on Earth" Christmas will come true.

Tahoe Marine Is Wounded During Action In Pacific

Joe Gallerani Reported By Washington As Casualty

KINGS BEACH, Dec. 23.—Mrs. Medarda Gallerani of Crystal Bay has received a telegram from Washington, D. C., informing her that her son, Sergeant Joseph R. Gallerani, of Kings Beach and widely known in this entire area, who has been on active duty with the United States Marines in the South Pacific has been wounded in action.

No details were revealed in the message sent on December 10.

"Deeply regret to inform you that your son, Sergeant Joseph R. Gallerani, U. S. Marine Corps, has been wounded in action in the performance of his duty and in the service of his country. I realize your great anxiety and will furnish you further information promptly when received," the message read in part.

Gallerani enlisted in the Marines shortly after the declaration of the war and has been on active duty in the South Pacific for sometime. It was not revealed in what engagement the local boy was wounded.

Local friends are hopeful that the injury is not of serious nature.

BOARD TO STUDY TIMBER PROPOSAL

The Placer County board of supervisors has deferred action on a United States Forest Service request to purchase 55,000 acres of timber land in Placer county from the Southern Pacific Company. The approval of the supervisors is necessary under terms of the Mayo bill passed by the legislature in 1943.

Edwin J. Regan of Trinity county, attorney for the Western States Land Council asked that consideration be postponed until federal legislation proposing reimbursement to the counties for land removed from tax rolls is passed by congress.

REBEKAH CHRISTMAS PARTY PROVES FUN FOR MEMBERS

Naomi Rebekah Lodge No. 2 had a Christmas party on Wednesday evening. Drawing for mystery packages, exchange of gifts, refreshments and visiting were diversions. A good time was enjoyed by all.

Back in Reno—

Mrs. Anna Schmidt, who has been employed at the San Francisco Port of Embarkation, has returned to Reno and is now employed at the Reno Air Base.

Clerk Ill—

Mrs. William Lester, clerk at the Ration O'Board office, was stricken ill Wednesday, but was reported much improved today.

At Sacramento—

Miss Marion Lothrop is spending the holidays with relatives in Sacramento.

Visits Family—

Mrs. Margaret Thomas and her daughter, Mava spent Wednesday and Thursday at the home of her parents, Mr. and Mrs. F. F. Kearney and returned to Bieber the later part of the week.

In Town—

Reuben Swett came from Alta Friday to assist with the Boy Scout program at the community party.

It was certainly a most unfortunate affair last week that led to the arrest of a young Truckee boy on charges burglarizing a local establishment. Every thinking citizen will feel sorry about the matter, but cannot but feel that punishment is justified. These juvenile crimes eventually lead to very serious consequences if not immediately corrected. We still contend that these juvenile crimes should and can be prevented. If they were then punishments might be forgotten, but until the cure is established, severe measures are necessary to prevent the minor crimes from becoming major.

(From the St. Louis Post Dispatch)

Cigarettes cost 33 cents each in Germany. Razor blades are \$1.50 in Chungking. A pair of shorts is \$12 in Calcutta. In Java a sarong can't be purchased at any price unless a hundredweight of cotton is also tendered. A cheap suit of clothes costs \$158 in Italy.

In the U. S. A., we have the OPA, which, so far as we can make out from the printed matter, is dictatorial, stupid, diabolical, inconvenient, meretricious, long-winded, improper, unfair, unprofitable, irrelevant, legalistic, top-sided, ridiculous, bureaucratic, unconstitutional and bursting out at the seams.

Be that as it may, you can get a cigarette for a penny, a razor blade for a nickel, a pair of shorts for six bits, a suit of clothes for \$30, and a sarong for Lamour toujours Lamour.

May we take this opportunity to extend to each and every one of you our sincere wishes for a very Merry Christmas and to say thanks for the fine patronage and support you have given us during 1943.

PERUVIAN OFFICER HELD FOR SPEEDING

Seventy miles an hour on the icy highways in this area is too fast even for a consul general of Peru to drive, State Patrolman William Gautsche decided and so yesterday issued a speeding ticket to Henrique A. Gilde-meister, 21, of 58 Sutter St., San Francisco. The driver was accompanied by two young men companions and was traveling east near Truckee when cited.

NEW BOOKS ARRIVE FOR LOCAL LIBRARY

For a small library, the Wyethia Club is certainly making every effort to provide the best in reading for local patrons. Books announced this week include The Sea is So Wide by Eaton; Congo Song, by Cleete; The Stranger by Rose; Mrs. Parkington, by Blomfield and Bright is the Morning by Gibbons.

BANK OF AMERICA DECLARES DIVIDEND

Directors of the Bank of America have declared regular dividends for the current semi-annual period on both the common and the \$2 cumulative preferred stock. The dividend declared on the common stock was \$1.20 for the current semi-annual period at the regular annual rate of \$2.40 per share.

100,000 Trees In Tahoe Forest Cut For Christmas

34,000 Taken From Truckee District During Season

Christmas trees for 100,000 homes, reports Guerdon Ellis, supervisor of the Tahoe National Forest, will bring the cheer of the forest to the busy city war worker and business man and their families during the holiday season.

Ellis reported that Christmas tree sales are one of the Tahoe Forest's major activities. Twenty forest officers have been busy since early in October supervising cutting of trees on sale areas. The Tahoe National Forest makes sales on government owned land and on privately owned lands where the owner has entered into a cooperative agreement with the forest service. For this supervision the forest service receives ten cents per tree.

Chief Dispatcher Elwood Stone, who has aided in enforcement work in the Truckee district, recently reported that 34,000 of the trees harvested in the Tahoe National Forest were cut in the Truckee district.

Ellis said that approximately 50,000 trees were sold from government lands with a total value of approximately \$25,000. Only 25 per cent of the money from the trees is returned to the counties which are Placer, Sierra and Nevada.

Based on an average of 50 cents for each tree cut in the Truckee district, this area alone produced a total of \$17,000 for the forest service. The total value of trees from the government lands in the entire forest approximated \$25,000 Ellis said.

DRIVER ESCAPES AS TANK TRUCK GOES INTO DITCH HERE

Another Fortier tank-truck was badly damaged Sunday morning when it got out of control on the curve at Hirschdale and overturned. The driver, David J. Campbell of Sacramento, jumped from the vehicle and thus saved himself from death or serious injuries under the crushed cab.

The truck was traveling west at 7 a.m. and was empty when it skidded on the pavement, whirled around and overturned down the sharp embankment. State Patrolman William Gautsche made the investigation.

PUBLIC INVITED TO CHRISTMAS PARTY

The public is invited to the Community Church tonight at 7:30 o'clock when a Christmas program will be presented, Mrs. Hazel Brandlin, the pastor announces.

The play, "The White Christmas," will be given with 15 main characters assisted by the choir and a group of younger children. The play will be followed by a social period which promises enjoyment for all.

O. E. S. CHRISTMAS PARTY IS SUCCESS

The Christmas party given by Truckee Chapter No. 116, Order of Eastern Star Tuesday was a decided success. Thersia Huddle, associate matron, gave a reading and Christmas carols were sung. Exchange of gifts and the serving of refreshments rounded out the evening's entertainment. Jennie Moore, worthy matron, came from Sacramento to attend the meeting. The Chapter will now recess until March.

MISS SEABRIDGE WEDS SERGEANT MAYFIELD

Miss Jean Rumsey Seabridge became the bride of Sgt. Raymond Mayfield at a ceremony performed by Rev. P. H. Willis at Sparks on Monday, December 20. Mrs. Marie Forrest acted as matron of honor and James Rumsey as best man.

The bride attended Truckee schools while her mother, Mrs. Rumsey was the proprietor of a local beauty shop. She is a niece of Mrs. Martin Johnson of Kingsvale.

The young couple met when Mayfield was stationed here at the outbreak of the war. He was later transferred to Camp White, Oregon. Mr. and Mrs. Mayfield left for Medford Oregon Tuesday to establish their home.

You will be wise now to Duration-ize your appliances with timely repair. That means catching repairs in time before a complete breakdown occurs.

If your old equipment must be replaced—do it now. Some new appliances are still available in store stocks. Otherwise be sure to take care of what you have. Keep it in repair. Make sure it will carry-on with efficient service. It is a wartime necessity.

RULES SET FOR CAR SAVING PROGRAM

SAN FRANCISCO, Dec. 23.—California motorists enter their most critical year in 1944 faced with reported triple shortages in gasoline, new tires and parts and manpower. This was the warning issued this week by the California State Automobile Association, the Automobile Club of Southern California and the California State Chamber of Commerce who called for a renewed three-point program of car conservation on the part of every motor vehicle owner.

So that he would assure his own mobility and thus contribute to the maintenance of vital California war transportation, the three organizations urged each driver to adopt this triple-point car conservation program:

1. Reduce speed.
2. Dispense with needless driving.
3. Maintain vehicle in best possible mechanical condition.

TOKENS FOR RATION USE BEING MADE

Manufacture was started last week on 2 billion ration tokens to be used in making ration change when the ration token plan goes into effect Sunday, February 27, according to OPA. The order calls for 1,100,000,000 red tokens for meats and fats and 90,000,000 blue token for processed foods. Food retailers will get their supply from the nation's banks. Strips of stamps, each having a value of ten points regardless of the numeral now on the stamps, will be valid.

DR. J. H. BERNARD

Season's Greetings...

If we have our way about it St. Nicholas is going to make an extra long stop at your home. No one needs to point out to us what your loyalty has meant to us during 1943. All we can say is Thank you, and Merry Christmas.

THE SPIRIT OF CHRISTMAS, dominating the world stage, once more has incredibly rolled aside the clouds of war. There is still beauty in common things, still good in the world, and we are all grateful for the glowing interval of Yuletide.

As for ourselves, we are also grateful for your loyalty to us during 1943, and extend the season's best wishes to all.

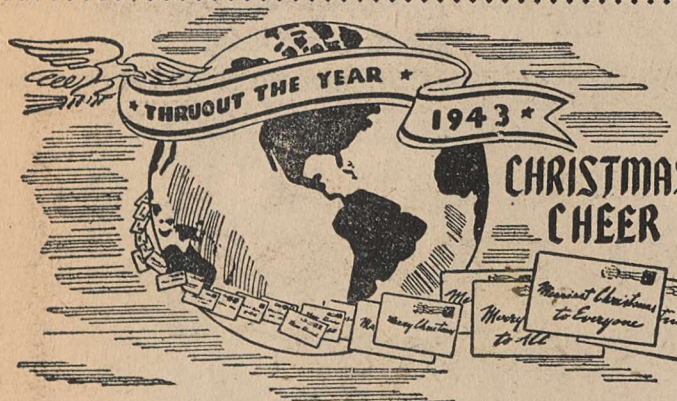

P. G. SCADDEN, Assessor—Nevada County

Yuletide draws people closer together, helps us all towards quiet friendliness and group enjoyment of days like Christmas.

A most proper time for us to express our sincere appreciation for your friendship, and to wish for you an abundance of Christmas joy.

Christmas Cheer

★ Uncle Sam is to be congratulated, for he has done and is doing a magnificent job. This is, indeed, occasion for Christmas cheer.

Our compliments to you, friends, our thanks, and our most hearty wishes for an enjoyable and truly happy 1943 Christmas season.

GOODFELLOW'S
CAFE

One hundred and twenty years ago Clement Clarke Moore's jolly poem, "A Visit from St. Nicholas," first appeared. Each year since then it has contributed to the joy of Christmas. We want to say that if we were able to gather up all this joy and wrap it up in one big package it would hardly represent our wishes for your Christmas happiness this season of 1943.

ELMA HECKER, Tax Collector—Nevada Co.

OD BLESS YOU, merry gentlemen, let's get the Yule log burning. Bring on the viands and let the joy be unconfined, for Christmas comes but once a year.

At this holiday time, as in the past, we are mindful of our indebtedness to you for your generous patronage, and pledge once more our determination to be still more deserving of your friendship.

THE BANK OF AMERICA, N. T. and S. A.

TO EACH AND ALL

May your Christmas of 1943 approach in joyousness the carefree Christmases of early years when you dreamed of the coming of St. Nicholas.

WARD SHELDON, District Attorney

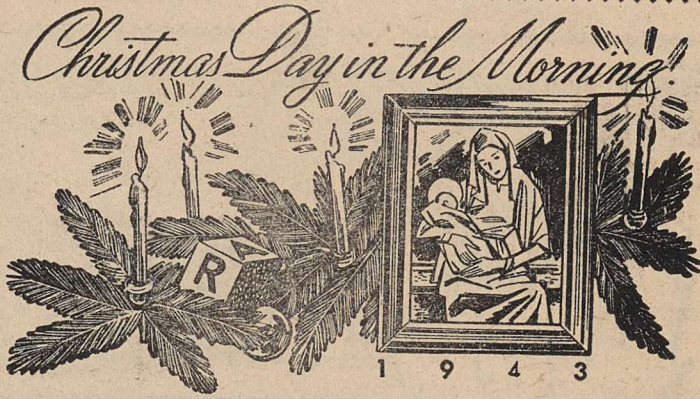

The approaching holiday season makes us appreciate more than ever before the priceless value of our friends and customers, like yourself. It reminds us, too, of the sacrifices being made by many of our friends now in the service of Uncle Sam. To you, and to all these, go our thanks for your patronage in 1943, and our wishes for a joyous holiday.

★ From Greenland's icy mountains to India's coral strand the age-old celebration of Christmas is in progress. In this season of universal good will we welcome the opportunity to thank you for that measure of confidence you have shown in us during 1943 and other years. We will do our utmost to continue to deserve it.

Glory to God in the highest, and on earth peace, good will toward men

Who can estimate the value of good will, that "priceless ingredient" so conspicuously mentioned in that first glorious Christmas message? Be assured that we highly appreciate your good will. It has been and will continue to be our most treasured asset.

MERRY CHRISTMAS TO YOU!

Tahoe Briefs

The Lake Tahoe Ski Club members worked on the ski hill again Sunday to get the equipment in good repair before the snow prevents it.

Miss Marilyn Hinkle received her orders to report for duty with the Marines and plans to leave on December 27 for Camp Lejeune, N. C., for training.

Tahoe friends were happy to greet Ray Barton, former Brockway boy who in now with the air force, when he arrived to spend the Thanksgiving holiday with his parents in Oakland.

Recent word received from Rex Mawdsley, former Tahoe student, tells of his work in the Kaiser shipyards at Richmond after unsuccessfully attempting to enlist in the navy. He sends greeting to Tahoe friends.

Tahoe Commons have been undergoing extensive improvements including the installation of drinking fountains and fire hydrants near the picnic grounds.

Christmas greetings arrived this week for Tahoe friends from Pvt. Dick Carnell, Tahoe boy who is with the rainbow division in Oklahoma. Dick plans to take a furlough after enough snow arrives to make good skiing on his loved Tahoe hills.

From Miss Alta Dyer former Tahoe teacher, who visits the wounded service men in the bay region, came the following letter: "You have no idea what a pleasure it is to walk through the ward where Private Toomey of the Mariens and a navy seaman are enjoying the use of the afghans. I'm reminded of Tahoe everytime. I do hope all of you know how much the men appreciate them. They especially enjoyed the personal interest you showed. Whether they express it or not in so many words, they do feel their efforts are worthwhile after all when someone takes the time and interest to think of

CHRISTMAS PARTY HELD AT TAHOE SCHOOL IS VOTED DECIDED SUCCESS

TAHOE CITY, Dec. 23.—The Christmas tree program and exercise put on by Tahoe Lake school students drew a large crowd of parents and friends from all lakeshore communities last Thursday night. The attractive auditorium was tastefully decorated in Christmas greens and a beautiful Christmas tree gladdened the hearts of the audience. Otto Fox music director of Auburn, led the school orchestra in presenting seasonal numbers and community singing of carols also was part of the program.

Playlets, including one entitled Sandy's House, drew much applause from the audience. Crowning the evening's merriment, was the appearance of Santa Claus who presented gifts of candy, popcorn balls and fruit to students and all youngsters present. Tasty refreshments were served to grownups through the courtesy of the mothers and school staff. Another happy Christmas program was added to the memories of Tahoe residents.

WHITE CHRISTMAS NOW ASSURED AT TAHOE AS AREA COVERED BY SNOW

TAHOE CITY, Dec. 23.—Hopes for a white Christmas at Lake Tahoe were realized Monday when snow flurries whitened all peaks and lakeshore communities.

The level of the lake level that morning stood at 6226.76 feet with 302 CSF of water leaving the gates at the Truckee river. Highest temperature during the preceding week was 47 degrees on December 18 and the lowest was 18 degrees on the 16.

TAHOE LETTER

To the Service Men From SWANEE

Richmond, Dec. 18, 1943

Dear Tahoeites: Another Saturday has rolled around and still our household is awaiting the stork's arrival. This past week has brought me some very anxious moments and but for the grace of God and the professional skill of one Dr. Edmond Diefenbach of this city, I would have lost a big toe with blood poisoning! On arrival in town a week ago Thursday I was almost a physical wreck, having lasted the night out on the train in some unexplained manner with a foot that throbbed and ached with infection. Some of the most painful moments of my life were spent in the chiropodist's office here but his skill and

TAHOE SKI CLUB ACTIVE PREPARING FOR SEASON

TAHOE CITY, Dec. 23.—The next meeting of the Lake Tahoe Ski club will be held at Community Center Friday, January 7 at 7:30 p.m.

Nineteen members attended the last meeting at which hostesses were Mrs. Floyd Carnell and Miss Florence Vernon. New memberships and donations for the club activities are coming in weekly to A. A. Pollitt, president. Gifts received were from Mr. and Mrs. Carl Becholdt, Sr., Mr. and Mrs. N. R. Mayfield and Mrs. Gerda Kvistberg.

Highway are still clear around the lake and many Tahoe boys and girls have returned for the holiday season. At the home of Mr. and Mrs. Carl Becholdt, Sr., are their son, Pfc. Billy Becholdt of the Ski troops at Camp Hale and Pietro Vanni, former Tahoe boy who recently enlisted in the army at San Francisco.

IT PAYS TO ADVERTISE

good old sulph grugs have helped me out of the woods again and I hope in another week at least to be able to wear a shoe. I'm beginning to worry lest folks should take me for one of Bob Burns country relatives.

This is sure a crazy sort of a life for a hill-billy like me, for we eat, sleep and live on the swing shift... and unless you have tried it, you can't imagine how unusual it is. My son in law goes to work at 4 in the afternoon and returns home for dinner at 1 a.m. Then we retire about 3 a.m. and pound our pillows until noon. It's sort of the "life of Riley" for me and I'm sure getting plenty of rest.

The business district of Richmond familiar to many of my readers who have lived here recently, is a never ending source of wonderment to a stranger for the sights one sees at any hour of the day certainly offer entertainment and a side light on one's education. Out of a total of 131 women who passed the car the other day where I waited while the family shopped, 55 of them wore slacks or overalls and more than half of them were young people. They came in white, black and yellow (the slacks) and the preponderance were shipyard workers.

A most unusual feature about the town regards three of the moving picture theaters, which open daily at 9 in the morning, play continuously all day long and close at 6 a.m., remaining closed just long enough to sweep and clean out. This popularity is unmistakable and often lines of patrons stand for hours to get in. There is little shortage of food at this writing, although such things as soap powder, Kleenex, bar soaps, butter, milk and paper towels and napkins are limited in the larger stores.

Hospitals are crammed to capacity most of the time and often those in immediate need must be denied entrance. Private nurses are almost unobtainable and many on the regular staff nurses are leaving or have left to join their country's service. So in Richmond it pays to keep well!

There is a real atmosphere of Christmas all over town with the store windows glowing with tinsel and holiday merchandise. In Kaiser's yard a huge tree 38 feet high has been erected with 200 electric lights of varied color adorning its graceful branches.

One of the bothersome problems of parking a car is eliminated here by the use of parking meters. A cent pays for a ten minute stop and two nickels gives one hour and 20 minutes. A longer stay requires more nickels.

A view of Richmond's holiday crowds would look like this — a

group of zoot-suiters on their way to a dance... grimy faced women in bandanas and tin hats, overalls turned up at the bottoms, on their weary way home... shoppers loaded down with bundles, crying youngsters hanging to their coat tails... sleeping babies thrown across their father's shoulders... inebriated weaving a crazy pattern through the good-natured crowds... soldiers and sailors and mariens, holding their girls' hands as they window shop... or on the alert for a friendly smile or encouraging nod... colored gents in gay blue trousers and dapper wardrobes and everywhere women taxi drivers, women policemen, women butchers, women gardeners and women truck and bus drivers. Truly the women are coming into their own.

Next Saturday will be Christmas and wherever you boys may be, may the true spirit of this beautiful season abide in your hearts, despite the brutality and suffering being visited

upon all peoples of the earth. We will be thinking of you and praying for your safety and universal will be the plea that this be the last Christmas you must be away from loved ones.

May the new year mark the beginning of the last grim march toward Victory, Peace and Freedom for all nations of the earth. We wish you good luck, good cheer, fortitude and whatever joy it may be possible to find in the knowledge that you are painting the pages of history with deeds of valor that will never die, that you are giving your all for your glorious America, which must lead the oppressed and ravaged nations of the world into the light of a new freedom with liberty and justice for all. May that peace embodied in the true meaning of Christmas soon descend upon God's children everywhere and may its light penetrate the clouds of war even yet before the end of 1943!

As ever,
SWANEE.

★ It's just about time for that perennial paratrooper, Santa Claus, to start his friendly invasion. We just want to say we hope he makes a happy landing, right in your home, bringing you more Christmas cheer than you've ever had before.
